

Elizabeth Charlotte Widjojo

CRM & Lifecycle Marketing Lead

elizabethwidjojo@gmail.com | +65 8575 7321 | Singapore (Permanent Resident)

Data-driven CRM & Growth Marketing professional with 7+ years driving retention, reactivation, and growth across Southeast Asia through structured statistical experimentation and omni-channel campaigns. Skilled in building lifecycle frameworks and performing SQL analysis with strong interest in leveraging AI to drive automation, predictive insights, and scalable growth strategies.

WORK EXPERIENCE

Lifecycle Marketing Lead

Apr 2024 - Present

GetGo Technologies | Singapore

- Spearheaded AI Voice Agent integration into the New User Onboarding Flow, enhancing new user experience and improving support efficiency.
- Built performance dashboards and automated reporting through MCP server integration, providing clear visibility into activation, retention, and reactivation results each month.
- Led Gamification program, driving a 9.5% uplift in monthly booking frequency vs. control.
- Collaborate with Data Science to build user modeling experiments, leveraging prediction models to send timely reminders, resulting in an 18% booking uplift.
- Managing team of 2, offering mentorship and support on technical strategy and execution.

Lifecycle Marketing Senior Executive

Feb 2023 - Apr 2024

GetGo Technologies | Singapore

- Co-developed GetGo User States with Data Analyst, to segment users by different journey stage.
- Built foundational statistical experimentation framework; ran a few experiments such as
 - Converting non-loyal to be loyal users: ~8.6% incremental conversion as compared to untreated group
 - Reactivating churn users: ~6.7% reactivation uplift as compared to control group
 - Car abandonment: 3% increase in confirmed booking post car search.

CRM Manager (APAC)

Apr 2022 - Dec 2022

Flash Coffee | Singapore

- Built the foundational CRM capabilities such as
 - User Segmentation to monitor user migration
 - Created SQL-based dashboards for Campaign Performance to track engagement metrics.
- Partnered cross-functionally with Product and Operational team to design and implement a cross-channel Welcome Flow for all entry points (online & offline), improving activation by 14%.

CRM Specialist (APAC)

Feb 2021 - Mar 2022

foodpanda | Singapore

- Managed regional CRM strategies across 10 APAC markets, driving user acquisition and engagement for new verticals (pandamart, Shops, Pick-Up); drove +33% adoption for pandamart, Pick-Up adoption by 28% and Shops by 34%.
- Promoted to CRM Manager in January 2022, advancing to an upper-level Individual Contributor role.

Demand Growth Lead

Apr 2020 - Jan 2021

Gojek Indonesia | Jakarta

- Spearheaded demand generation for GoFood by uncovering growth opportunities, developing strategies, running statistical experimentation initiatives, managing budgets, and leveraging SQL for performance analysis.
- Few projects including:
 - Improved new user W+4 retention from 7% to 13% by June 2020 (Q2), while reducing costs by 30% versus Q1 through the implementation of a user modeling framework.
 - Boosted churn user reactivations by 32% by September 2020 (Q3) via voucher denomination experiments.

Product Marketing Asst. Manager

Jul 2019 - Mar 2020

Gojek Indonesia | Jakarta

- Owned end-to-end marketing funnel from awareness to retention; drove 23% growth in completed orders and 17% increase in active users from Jul–Dec 2019.
- Developed the marketing strategy and campaign plan, ensuring seamless execution by coordinating across teams. Worked closely with Creative and Ops to launch a targeted weekday demand campaign, resulting in a 30% increase in orders after launch.

CRM Specialist

Dec 2018 - Jun 2019

Gojek Indonesia | Jakarta

- Developed a 14-day onboarding journey (emails, push notifications, vouchers) to educate users, raising activation to 14%.
- Set up personalized post-cancellation push campaigns, improving conversion by 25%.

EDUCATION

Bachelor of Arts in International Relations

Sep 2014 - Aug 2018

BINUS University, Indonesia

GPA: 3.75
